

# “I AM”

By J. Brain Quick and Bradley J. Pyle  
Camp Trek 2008

I am Brain Quick  
I wonder how today will go  
I hear the subtle noises of camp  
I see the browns, greens, and earthy shades  
I want to have some fun today  
I am Brian Quick

I pretend I like my new nurse  
I feel cool here in the shade  
I touch everyone around me  
I worry, no not me  
I cry only when I use my eye drops  
I am half man, half beast

I understand the ways of the world  
I say, “We will do things my way”  
I dream my friends will live a good life  
I try to be the best person I know how  
I hope Notre Dame has a winning season  
I am Brian Quick
