

Summer 2017

Dear Community Partners,

The Brain Injury Alliance of New Jersey is proud to host its 15th *Annual Walk for Brain Injury Awareness* this fall. The event will take place on **Saturday, October 7th 2017**, in four locations throughout New Jersey as follows:

Jersey Shore-Bradley Beach

Northern NJ - Saddle River County Park, Paramus

Central NJ - Mercer County Park, West Windsor

Southern NJ – Laurel Acres Park, Mount Laurel

This Walk is a family fun event designed to increase awareness about brain injury and raise funds for much needed services. Participants can walk, run or ride together through a designated, accessible route and enjoy a picnic, games, prizes, music and much more. Last year, nearly 800 people attended our Walk and we expect that number to grow.

The Brain Injury Alliance of New Jersey is a statewide nonprofit organization dedicated to improving quality of life after brain injury and offering the promise of a better tomorrow. Our *Annual Walk for Brain Injury Awareness* helps raise funds to support programs that are critical to our clients, whose needs continue to increase despite cuts in our government contracts.

We need your help! Please support our Walk so we can continue to provide services to over 10,000 New Jersey residents each year. The attached sponsorship material outlines the ways you can help families impacted by brain injury.

We hope that you support us as we bring hope and healing to those whose lives are forever changed by brain injury. If you have any questions or would like to learn more about our organization, please contact Wendy Berk at wberk@bianj.org or 732-745-0200. Thank you in advance for your support of this important event.

Sincerely,

Wendy Berk
Vice President

The Brain Injury Alliance of New Jersey is a 501c3 non-profit so your donation is tax-deductible.
Our Tax ID number is 22-2431796.
